Dear Potential Corporate Sponsor,

Thank you for taking the time to consider sponsoring our Ultimate Allstars Cheer and Dance program. Becoming a corporate sponsor is an excellent way to promote your business by providing a unique avenue for advertising.

Ultimate Allstars Cheer and Dance is a family owned, local competitive All-Star cheerleading and dance program that has been based in Port Saint Lucie Florida for nineteen years. Our athletes, consisting of over 200 kids at two locations, train year-round to compete at the national and world's level. We are the Treasure Coast's most successful cheerleading and dance programs, with several national and world's titles. The success of our program is a direct result of our gym's positive environment that cultivates the physical, mental, and emotional development of our athletes. The Ultimate Allstars mission is to develop the finest athletes in the country by fostering leadership, discipline, and teamwork, while building confidence on and off the competition floor. Your sponsorship will aid in the success of our athletes. Sponsorship dollars will go towards athlete scholarships, athlete travel assistance, competition fees, and various other gym needs.

We invite you to support our program and the athlete that provided you this letter. As a sponsor, your business will enable these cheerleaders and dancers to compete at the highest levels across the nation as well as illustrate your commitment to the community. Most donations can be written off as an advertising expense. Please check with your accountant to ensure this before deciding to sponsor. If interested, please fill out the form below and you will receive a receipt for your records. Thank you for providing this opportunity to a young athlete in our community.

We have four levels of sponsorship available. Should you have any questions, please feel free to contact Brittany at ultimateallstars@gmail.com or 772-359-5124. We would be honored to partner with your company at any level and make the 2022-2023 season the best it can be.
